Antwerp Board of Education

CLOCKWISE: Verlyn Pollock, President; Robert Culler, Vice-President; Ray Billman; Dale Adams, Superintendent; Dale Ehrhart, Clerk; James Sidenbender; Absent: Lyle Leinard.

County Superintendent and Staff

FRONT LEFT: Iris Krish, Intern Psychologist; Mary Poulter, Elementary Supervisor; Ivah Lothamer, Secretary; Elieen Vance, Secretary; Gail Sevener, Speech Therapist. REAR LEFT: Barbara Davis, County School Health Nurse; Jack Whetstone, High School Coordinator; R. F. Weible, County Superintendent; Jerry Greenwalt, School Psychologist.

Superintendent

FROM THE SUPERINTENDENT'S DESK

The 67-68 school year found a new \$430,000 bond issue passed in November for an 18 room addition to the school. The total enrollment passed 1100 for the first time.

The class of 1968 has indicated the importance of continuing our education. Fifty-two per cent of the class have indicated an interest in going on to college or advanced training.

We will miss the academic achievements of the class, their suggestions of change and improvement, and the tribulations of a few in reaching their achievement of graduation from high school.

We congratulate the class for one of their successes of life - graduation from high school. We wish them every success in the next goal they strive for. High school graduation will open the doors to other areas, walk through and beyond them with confidence.

DALE ADAMS
Superintendent

FROM THE PRINCIPAL'S DESK

When our fore-fathers in America were still subjects of Great Britain, the most important reason for education was the studying of religion. Later, it became evident that to truly have a government by the people, those people had to be enlightened as to the affairs and problems of government.

In more recent times, the idea that education was important in leading to a more rewarding personal life through training for a vocation became part of our educational philosophy.

I believe that the success of this latest idea will depend upon the continuing existence of the first two.

KARLANN HOPKINS

RON FARNSWORTH - Senior, guard; serving as co-captain. Ron gave much encouragement to his teammates; excellent shooter, ball-handler, and dribbler who we hated to see graduate.

JOHN DERCK - Senior, guard; left-handed outside shooter, was team spirited and backed his fellow players through thick and thin.

V a r s i t y A r c h e r s

KEN CLINE - Senior, guard; determination, plus, made up for Ken's small size. He carried us through some rough times this year.

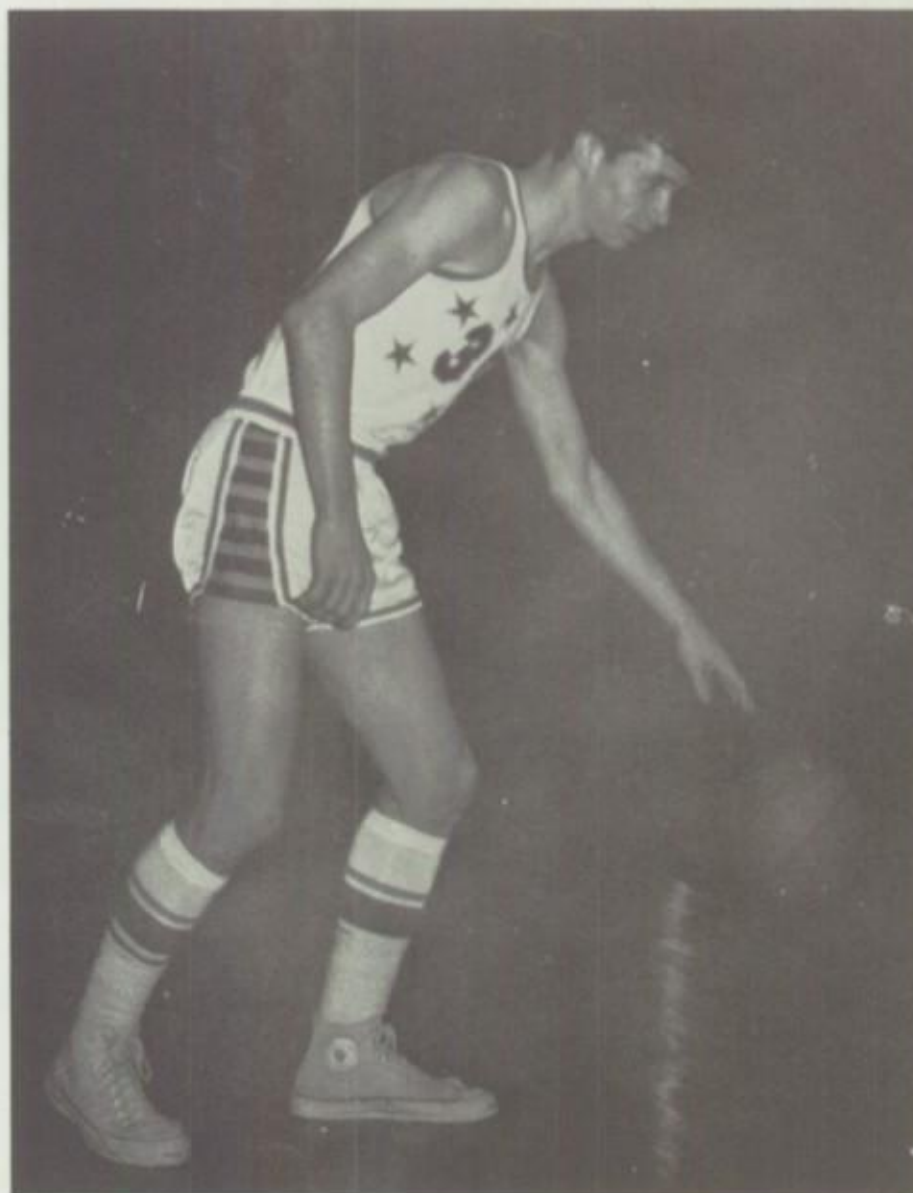

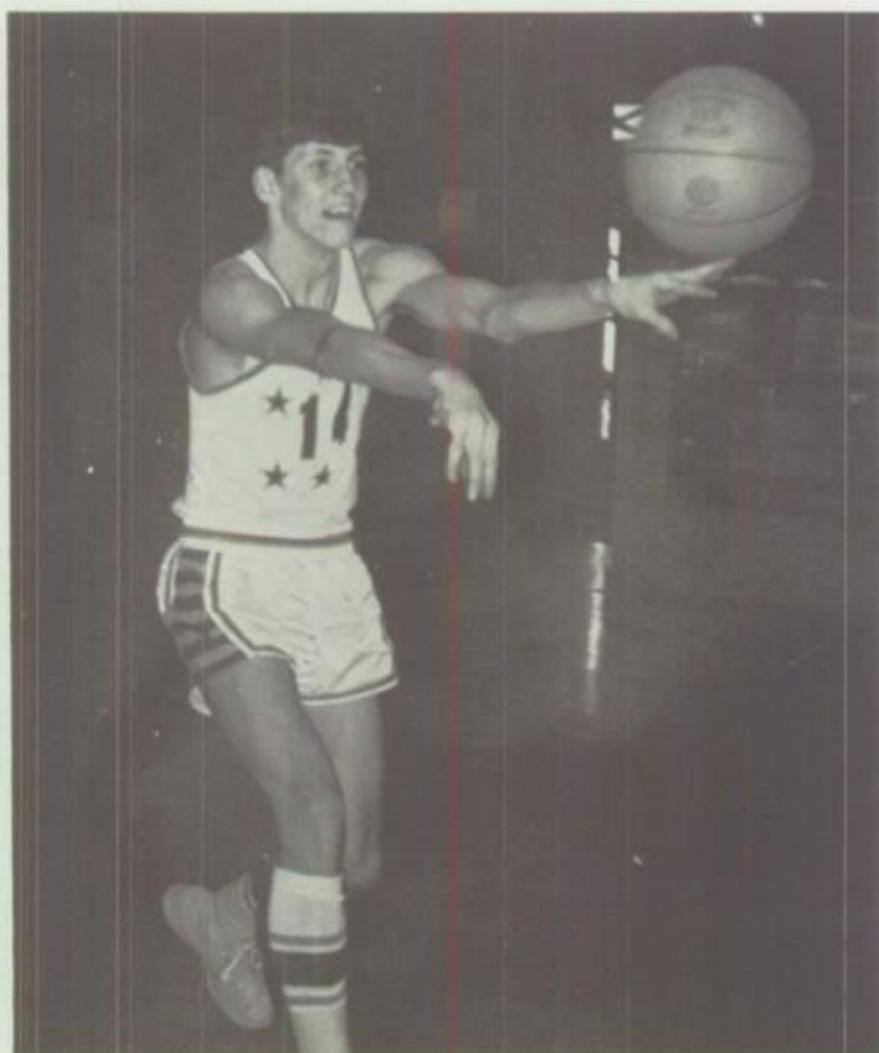

TOM McALEXANDER - Senior, forward; cooperation, speed, and desire to participate best describe Tom.

HAL KEMERER - Junior, center, co-captain; fine rebounder and shooter, an all around asset to the team, looking forward to his return next year.

MIKE VAIL - Junior, guard; showed tremendous amount of improvement this year and will be battling for the ARCHERS next year.

JACK SCHILB - Sophomore, forward; outstanding basketball ability which he will have a chance to display the next two years.

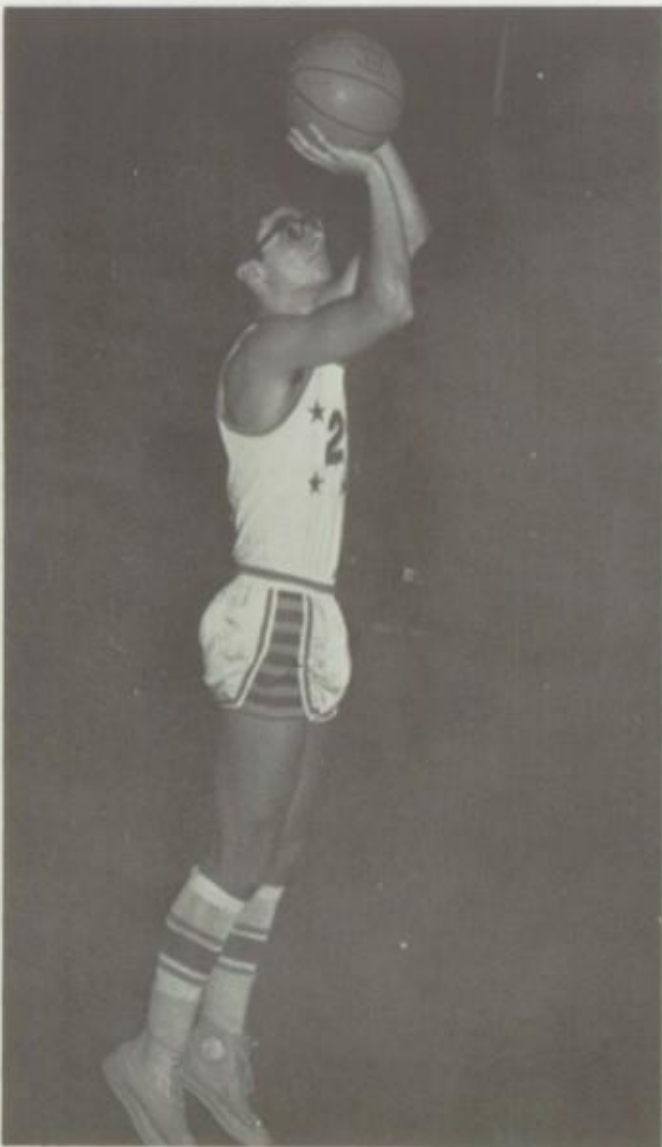

DON FARNSWORTH - Junior, forward; shows great desire and ability, glad that he will be back next season.

BENJY SCHLATTER - Junior, forward; fine rebounder, tipper, and shooter; will be returning next year for additional hardwood action.

JIM PANICO - Junior, guard; Jim is an excellent outside shooter and may be putting many through the hoop next year.

RICK SCHLATTER - Sophomore, guard; great deal of shooting ability, with plenty of opportunity to show it the next two years.

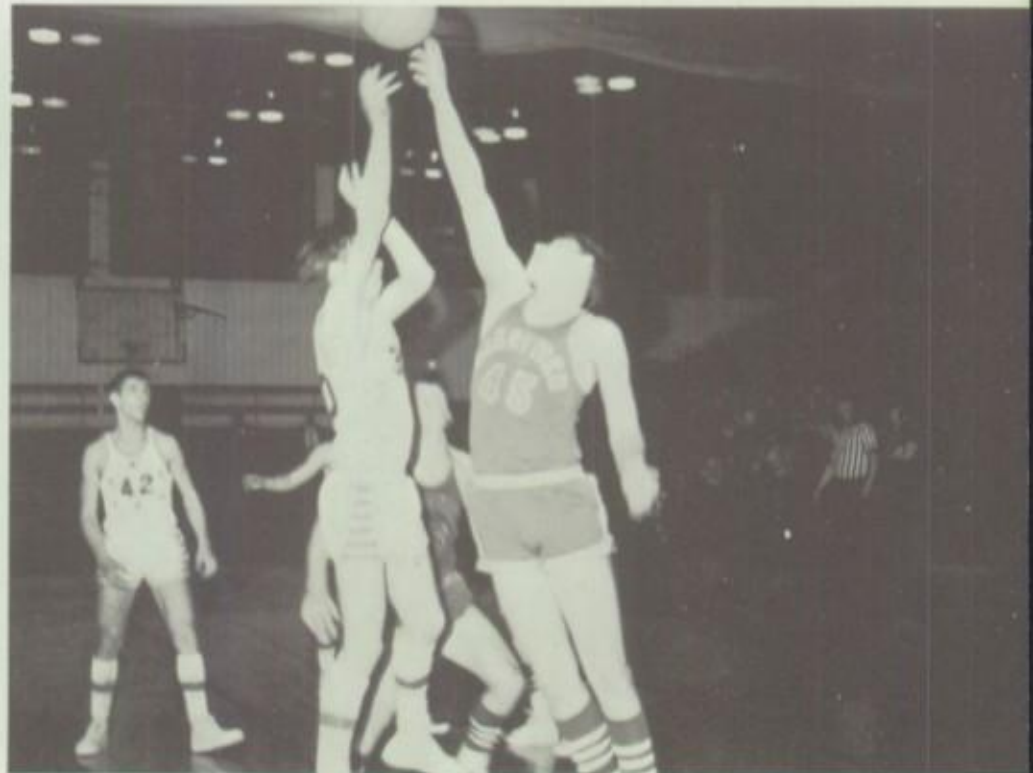

KEITH NERN - Junior, center; team-spirited player with great desire who will be returning next year.
